Supply Chain Services  
Component Distribution

## Established

1980

## Leading Executives

Mr. Yaniv Rod  
Mr. Itay Rod  
Mr. Asaf Mirvis

**A**Y Electronics combines contract manufacture with 30 years of global supply chain services for electronic components. As a one-stop shop for both contract manufacture and a complete range of supply chain services, we offer you flexibility and cost reduction like no one else can! Our concept allows you to gain substantial savings on BOM overheads, by using either our own assembly and facilities, or any manufacturer of your choice!

## Services

### Contract manufacture and supply-chain under one roof:

A one stop shop for full manufacture and assembly services including turn-key and NPI in our own manufacturing facilities, and a complete range of supply chain services under one roof not available anywhere else manufacturing facilities, or any manufacturer of your choice!

## Our Supply Chain Services Include

- Kitting
