Executive Chairman

Mr. Ofer Elyakim
Chief Executive Officer

DSP Group, Inc. (NASDAQ: DSPG) is a leading global provider of wireless chipset solutions for converged communications at home. Delivering system solutions that combine semiconductors and software with reference designs, DSP Group enables consumer electronics (CE) manufacturers to cost-effectively develop new revenue-generating applications with fast time to market. At the forefront of semiconductor innovation and operational excellence for over two decades, and with a growing share of the wire-

- Integrated circuits used in products by leading global brands including: AEG, Alcatel, AT&T, Binatone, British Telecom, Brother, CCT Tech, China Mobile, China Telecom, Deutsche Telekom, France Telecom, Freebox, GE, Global China Technologies, Grandstream, Huawei, JXE, Korea Telecom, KPN, LG Electronics, Motorola, NEC, Panasonic, Philips, Pioneer, Sagem, Samsung, SGW, Sharp, Siemens (Gigaset), Sony, Swisscom, TCL, Telecom Italia, Telefonica, Thomson, Uniden, Verizon, VTech, and more.

less home telephony market, DSP Group provides a broad portfolio of wireless chipsets integrating DECT, Wi-Fi, PSTN and VoIP technologies with state-of-the-art application processors. Enabling converged voice, audio, video and data connectivity across diverse consumer products – from cordless and VoIP phones to home gateways and connected multimedia screens – DSP Group proactively partners with CE manufacturers to shape the future of converged communications at home.

- Over 1 billion chips used in the wireless communication at home market, with hundreds of millions of additional chips deployed each year
- Offices worldwide: San Jose, California (Headquarters), Rancho Cordova, Minnesota, Nürnberg, Zurich, Edinburgh, Bangalore, Hong Kong, Tokyo and Herzeliya
- 138 US and Foreign Patents granted; 110 patents pending
