

Gat Foods

Line of Business
Agriculture & Food

Established
1942

Leading Executives
Mr. Amir Kalmar
Marketing and Export
Manager

GAT FOODS is one of Israel's leading processors in citrus and non-citrus products. Its local market brand name PRIGAT is synonymous with natural juices. Gat Foods processes, packs, markets and exports a wide range of fruit based products for the retail, institutional and industrial markets. The company also provides catering services based on experience and know-how with high quality products and packaging juice dispenser systems. Prigat International a subsidiary of Gat Foods follows the strategic policy based upon widening multinational activities via partnerships, acquisitions and mergers. Our technological know-how and marketing experience, combined with local expertise, has resulted in well-received products with high added-value.
