HAARGAZ Industries is an industrial holding company that owns five subsidiaries engaged in: transportation and bus production; pre-fabricated and industrial housing; contract manufacturing and metal processing; storage, cooling and display systems; regulators and rectifiers for the automotive industry.

HAARGAZ Transportation

HAARGAZ Transportation is Israel's leading manufacturer of bus chassis. The company designs, develops and produces buses and railway cars compatible with the highest European quality standards, and is approved to the advanced standards of ISO 9001-2000. The factory delivers high quality buses, using cutting edge technologies and based on self-designs applied to all known chassis (MAN, SCANIA, MERCEDES, VOLVO, etc.). HAARGAZ is the home supplier for Egged and Dan, Israel's largest public bus companies.

HAARGAZ Transportation

HAARGAZ Storage Cooling and Display Systems

standard and anti-flammable standards, HAARGAZ mobile housing has earned its reputation as quick, high-quality construction.

HAARGAZ Storage Cooling and Display Systems

HAARGAZ Storage Cooling and Display Systems is the dominant supplier in Israel in the field of shelving and storage systems for home and office use, light, moderate and heavy storage systems, standard and unique display systems for shopping centers, cashier desks, metal furniture and bookcases. The company recently acquired KEDAH, which has over 40 years of experience in manufacturing industrial refrigerators, cooled display systems, and energy units for cooling systems. The company is the only Israeli One Stop Shop supplier for retailers and point of sale. The company has ISO 9001 certification.

HAARGAZ TECHNOPACH Metal Industries

HAARGAZ TECHNOPACH Metal Industries plays a major role in the world of electronic contract manufacturing, metal processing and packaging manufacturing. The company provides an integrated solution for all requirements in: mechanical components

HAARGAZ Industrial Housing

HAARGAZ Tadtital Automotive Electronics

HAARGAZ TECHNOPACH Metal Industries

HAARGAZ Industrial Housing

HAARGAZ Industrial Housing is the largest manufacturer for Israel's pre-fabricated housing market. The plant applies advanced production methods, some exclusive to HAARGAZ for building high quality housing and structures. The plant has produced more than 450,000 sq. m. (4,900,000 sq. ft.) of residential buildings, guest houses, industry and office buildings, schools and classrooms, community centers, etc. Complying with the Israeli Standards Institute's specifications 921 and 931, the ISO 9002

and sub-assemblies, electro - mechanic sub-assemblies and mechanical assembly up to a complete, Ship-To-Stock level for the military and high-tech markets.

Tadtital Automotive Electronics

Tadtital Automotive Electronics provides advanced microelectronic technologies for the automotive and high-tech industries. Tadtital focus on Voltage Regulator, Rectifiers, Ignition and Control units both for the OE and Aftermarket.
