Plasgad Ltd. is the market leader in Israel and a key player in the worldwide field of plastic pallets, containers and crates.

Having 30 years of experience in plastic injection molding, our R&D department and our Design team, are constantly developing new products, to answer customer's and market demands .

Plasgad's two plants, have injection molding capacity of up to 1800 Ton. Cutting edge technology and robot assisted production assure high quality, repeatability and efficient manufacturing. All of these strengths and abilities combined with effective sourcing and purchasing, allow us to reduce both cost and time to market.

Among our customers are: TEVA Pharmaceutical industries, Coca-Cola, Carmel Agrexco , Home depot USA, Ace, and a dynamic net of distributors and agents in all major markets. Plasgad welcomes any opportunity to be of service to our customers. Plasgad is ISO 9002 certified. We are proud in its dedicated service, excellent products, and competitive prices.
