

Shmueli Raphael Air Conditioning Services Ltd.

Shmueli Raphael Air Conditioning Services LTD (S.R) manufactures air conditioning units for earth moving equipment, tractors and military vehicles.

The company was established in 1991 by Offer Shmueli and Daniel Raphael.

S.R. offers complete solutions for Original Equipment Manufactory (OEM) We develop and manufacture smart , simple ,easy to install and service, H.D, complete Air Conditioning units.

We upgrade units that arrive from OEM to local dealers and are found to be incapable of working in Israel's hot summers.

Based on our know-how and years of experience, we provide a consulting service to OEM by analyzing the problems found in the A/C unit and offering a complete solution that will bring customer satisfaction to their product.

Shmueli Raphael Air Conditioning Services LTD, have adopted the total quality concept as one of its fundamental principles and our primary goal is complete customer satisfaction.

We hold Certificate ISO 9001:2000 from the Technion R&d Foundation Ltd, Quality And Certification Unit.

We aim to grow in the international market with the experience gained from our many years in the Air Conditioning field.
