Leading Executive

Mr. Eldad Barak
President & CEO

Tadiran Telecom Ltd. is an established global leader, innovator, and supplier of IP business telephony and telecommunications solutions. For nearly 50 years, Tadiran has been serving businesses of all sizes, including some of the world's largest companies and organizations in various market segments across 41 countries worldwide. Tadiran features a comprehensive family of products including IP PBXs, Softswitches, Contact Centers, IP phones, as well as Mobility and Desktop applications. Tadiran strives to increase environmental awareness in the telecom market while utilizing "green technology" in its products.

for small businesses that includes hundreds of telephony features and applications, and the Sea Softswitch, the company's flagship product that is targeted for large distributed enterprises requiring:

- Unified communications
- Cloud based architecture
- Central administration
- Redundancy
- Built-in fault tolerance and disaster recovery mechanism
- Supports 3rd party devices and applications

Tadiran Telecom is a private company with regional head offices in the USA, Russia, China, India and Israel. The company's distribution network includes 200 dealerships and affiliates worldwide. Hundreds of thousands of enterprises and organizations benefit from Tadiran Telecom solutions. Tadiran Telecom excels at providing specialized solutions to multiple vertical markets including government, healthcare, education, utilities, transportation, military and more.

Our solutions portfolio consists of the Coral, our internationally acclaimed family of IP PBXs, the new UCx (Unified Communications eXchange) IP-PBX which is a sophisticated pure-IP system

The Sea Softswitch supports many advanced applications, including voice and text messaging, video sessions, user presence, unified messaging, IVR, secured conferencing, and an end user portal for setting personal routing rules and devices.
