## **Mission Statement**

Xenlight is geared for prompt service, uncompromising quality, and competitive unmatched prices. Xenlight manufactures ballasts and igniters as standalone products as well as integrated systems for complicated light systems such as searching lights for Helicopters, torches, headlamps and others.

## **Certification and Patents**

Xenlight manufactures under **ISO-9001-2008** and is dedicated to the highest quality standards.

Our ballasts have 6 registered patents in Europe and USA.

Xenlight expertise in **Tailor Made** projects.

**New 21W ballasts with AC technology – patented (pending).**

## **About Us**

Xenlight Ltd., founded in 2003 by Baruch Ezon and Eran Fayer, is an R&D company focused on development of ballasts and igniters for the Xenon HID (High Intensity Discharge) bulbs. The company's initial focus lies with the Automotive Lighting Industry (OEM, After Market and Accessories). Headquarter and manufacturing facility are located in Israel.

Since the use of Xenon, in itself, may be dangerous, we have put **Safety** and avoidance of **EMI** disturbances as our prime goal

Xenlight expertise in **Tailor Made** projects.

## **Xenlight Provides**

- The right product.
- The right quality.
- The right price.
- On time delivery.
