Founded in 1947, Hatehof Ltd. is a leading designer and manufacturer in the industry of armored and special vehicles.

Hatehof's main business in the Armored & Unique Vehicles field is based on an exclusive knowledge as well as long term experience in Israel (IDF) and world-wide.

Hatehof is a dynamic company and continuously works on new designs by market needs and forecast and improves current designs to better fit various variables.

The Company consists of 3 divisions:

1. Armored Division handling the 4x4 Armored vehicles range.
2. Special Vehicles Division including Riot Control Vehicles, Fire Trucks and Aircraft Refuellers.
3. NBC Division enabling a comprehensive solution for the unconventional event management by use of C/C, Reconnaissance and Decontamination vehicles.

The company provides in-house R&D including simulations, bombing and shooting trials, coupons, Production, Assemblies & Maintenance which **enable us to offer the most cost-effective, tailor-made, state-of-the-art solution for the costumer.**

As a main supplier for the Israeli Defense Forces and Ministry of Defense, Hatehof Ltd is ISO 9001 and ISO 14001 certified.
