### Meprolight provides comprehensive solutions with a wide array of combat-proven products:

- Electro-Optical and Optical Sights
- Uncooled Thermal Weapon sights for Snipers and Sharp-shooters
- Night Vision sights and devices
- Self-Illuminated night sights and other tritium and Illuminated products for safety and security applications

Superior production methods and rigid quality control, certified to the highest standards have made Meprolight the first choice among defense decision makers and major weapon manufacturers and law enforcement agencies. Meprolight is certified to ISO 9001:2008, meets US and NATO military standards and is an approved supplier to many military and law enforcement customers and weapon.

### SK GROUP

Meprolight is a part of SK Group, a leading global Defense and Security group of companies that includes Israel Weapons Industries (IWI) Ltd. (Firearms manufacturer), Israel Shipyards Ltd. (Ship

manufacturing and repair), Pulse Inteco Systems Ltd. (Lasers and Night Vision systems), Uni-Scope Ltd. (Optical periscopes), Camero-Tech Ltd. (Through-the-Wall sensing) more.

PI Systems joined the SK group as a partner of Meprolight on June 2010 to further position the group as a leading provider of sophisticated and comprehensive electro-optical solutions for infantry and armed forces.
